

# WHERE DO I START? DISABILITY SPECIFIC RESOURCES

Parents of children with disabilities frequently request information and support regarding a particular disability. Below is a list of Colorado disability specific organizations that offer resources information and, in some cases, parent support groups. *Also included are major national organizations (in italics).* Call P2P or visit our website for additional resources.

**Parent to Parent of Colorado (P2P)** [p2p-co.org](http://p2p-co.org) 877-472-7201

*P2P will help get you to the right resources. Contact us—we're all in this together.*

- One to one parent matching (birth through life), parent support, information and referral
- Active online listserv linking parents throughout the state
- Website with disability specific resources, parent support groups and more
