Lee Anne M. – Hallmark

“We love Lee Anne! She has worked here for 12 years and contributes so much to our store. She is able to bring everyone together and create a sense of family among the employees here at Hallmark. If you are considering hiring an employee with a disability, I would not hesitate. You will end up with a very loyal employee.”

-Carolyn Ghantous, Owner

Ed B. – Silver Grill Cafe

“Ed plays such a vital role at the restaurant. On busy weekends, his hard work behind the scenes is one reason we’re able to run smoothly and keep guests happy. He helps us keep inventory low and, most importantly, his rapport with the staff is great, which is inspiring to all of us!”

- Heather Beckman, Managing Partner

Amy S. – Panera Bread

“Amy is great! She has become part of the family here at Panera and it is difficult to envision what the store would be like without her. The customers absolutely love her and in the two and a half years she has worked here, her attendance has been nearly perfect. In fact, she has missed fewer days than I have.”

- David Moser, General Manager

Tina M. – Thompson School District

“Tina continues to strive each day to be a effective, efficient, and reliable employee. She is an asset to the Sarah Milner Kitchen and community!”
